"A NEW WAY" - James McNamara 2000

- I spit sun rays.... hotter than Jewish folks that was beefing with Hitler
- endorse my speed for Hip Hop and paint this picture
- Take life and fast for days like mahatma Gandhi
- read and write the dictionary like Malcolm X and change PROFOUNDLY
- Turn righteous and learn new ways to live life...
- through Jesus Christ
- my life is lived
- I have little to offer but GOD has a whole lot to give
- thanks to GOD for saving my soul from deep within
