

Love is a tangle,  
Love is a flame,  
boyz do the fucking,  
girls take the blame,  
one night of pleasure,  
9 month in pain,  
5 or more in the hospital,  
with a baby ~~to~~ name,  
daddy is a bastard,  
mommy is a hore,  
the baby wouldn't be there,  
if the condom hasn't tore,  
he say your cute,  
he say your fine,  
but, once your pregant  
he say the baby isn't mine!
