KICKER OF A FOLK WEEKEND!

Also on Saturday night, AS220 becomes a den of sin for no reason in particular. The night starts with a poetry reading by **Dieter Weslowski**. The chap is in turn followed by **Stained Rug Theory** and the **Sliver Klik**. **Laughing She Died** headlines because certain members of the **Klik** want to see **Backwash** downstairs. When the smoke clears, you'll have to make sure your skin is still there.

Worldbeat/Save the Earth/reggae guys BOP (harvey) will be at the Living Room Saturday. Like I said, there's so much great stuff happening you'll probably have to stay home and smoke a little bit of earth day, man.

Sunday at AS220 that dude **Mark** brings you nine bands in one day. **Voice of Reason, Square One, Bogdb, God, Boston Sushi Fiesta, Young Hegelians, Spastic Platypus, Hetch Hetchy** (Michael's Stipe's sister, I hear) and **Toast**. **Michael**, ex-**Coat of Arms**, will be performing in both **Hetch Hetchy** and **Toast**. Go to AS220 and give that dude **Mark** something to do.
