Dear C. U. Member:

There will be a meeting of the membership of Citizens United on Monday, January 18th in the Faunce House Theatre Lounge at Brown University at 8 P. M.

I hope everyone will make a special effort to be present, for there are important matters to discuss. The Nominating Committee will have a report proposing a slate of officers. We need to talk about our plans for action, particularly as these relate to other groups with whom we are cooperating. Perhaps most important, we need to pool our knowledge about the legislature, and especially about its new members.

There is work to do, and it is work which we can approach with some optimism. Let's make a good start with a well attended meeting on the 18th. Mark your calendars now. Bring some potential new members with you.

Very sincerely,

*Barry A. Marks*
