Dear Richard,

The Rhode Island Art Education Association wants to thank you and all of the AS220 staff who were so gracious to us this past week with our MASK exhibition/auction and end of the year meeting on May 14. We have received positive response from many of our members, many of whom have heard of AS220 but never actually ventured into the city of Providence to see what goes on.

Burt and I have talked on a few occasions about collaborations with AS220 and Rhode Island schools. I hope this use of AS220 by our organization will be a first step in creating some connections with art programs in our schools. Our membership is growing and we are trying to bring our members information about things in the Arts Community that they may not be aware of because of their busy lives. Be assured that in our Fall NEWSLETTER we will be giving you folks a plug and a public thank you. In the mean time, if there is any way we can be of help to you, please don't hesitate to call.

Gratefully,

Peter J. Geisser  
RIAEA, President-Elect
