# "Reality's Blindness"

James  
McNamara

- As life's shadows lengthen, thoughts of GOD should deepen
- Watch out for evilness because Satan's always on the low, - steady creeping
- GOD put us on EARTH to shine as lights, not to associate with the dark
- now as the sharks bite we all die besides Noah's ark
- Life's Darkest trial cannot dim the light of GOD'S love
- If you praise GOD in your trials, your burdens will turn into blessings
- Self-examination is one

test that leads to a life  
long lesson

- The fence of unbelief  
keeps us from enjoying  
the open fields of GOD's  
grace

- One day you may wake  
up with Reality stear-  
ing you in ~~the~~ you're face

- Hold ya' pace and  
don't let Satan have  
you erased....
