"WHAT'S THE USE OF LIFE"

James McN.

- I found out by study that rumors are spread abroad
- One may say, "He did this - He did that", but in reality its all false
- Mysteries brighten days of SADNESS...
- Teachings are enlightened by the spark of madness
- This life we live is use-less - - all useless - its like chasing the wind
- Foolishness is caused by the abundance of SIN
- Wise men know the time for everything
- Life's perplexed - its all a GAME
- We gotta live life - we can't let life live us...
- constantly running from

hated - running from LUST
- we are caught up in these
cold streets and ain't got no-
one to trust
- I look up to the sky some
times and wonder "WHY" -
"Why is life so very
complicated" ? -
