That fucking street light

Right now, I'm not in the right state of mind.
Because of that I just committed a crime.
If I get caught, I could mad time
I'm thinking, what the fuck can I do.
During thought, I see the boy in blue.
Now I'm running just me a my crew
Jakes was catching up I thought we were through.
I've never committed a crime well, maybe a few.
We all split up and fell out of sight.
But not me cause that fucking street light.
Next I know I'm on the ground handcuffs are tight
I locked for the night
For the next year I'm doing a bid
Scared, thinking of all the shit I did
I should have never hit that kid.
I can't see my mom for a year
the first thing I'm doing when I get out of here,
is go to the street I was on that night
and then, after I percieve the fright
I'm gonna bust that fucking steet light!
