ALEX RIPA

Biographical Information

I was educated at the Massachusetts College of Art in Boston. There I luckily fell under the fine tutelage of Abelardo Morrell and Nicholas Nixon, two men to whom I owe a great deal. To Mr. Morrell for opening my mind to the spiritual in photography, and to Mr. Nixon for his forthright opinions and for teaching me to feel prints with my eyes and heart the way the blind feel texture with their hands. This show at AS220 represents a rare opportunity for me to exhibit my work, previously on display at AS220's Wall Art Mart, as well as at various galleries and in private collections.
