**Rhoda Klitzner Bailey
Portrait Photography**

Rhoda Klitzner Bailey lives and works in Providence. She comes to photography from painting and has been photographing people since the early 1970's. Portraits are both her art form and her source of livelihood. The work is done for the most part on location in the subject's home or work environment. She concerns herself in her work with light and the formal elements of the photograph as well as the qualities her subjects express.
