"Tools of the Trade" - Painting / Installation by Frank Gasbarro. "Providence Artist Frank Gasbarro has been working for many years on paintings which combine the surfaces of action-painting with other elements of minimalism and geometric abstraction. As a part of his process he has created a set of templates which have accumulated as much of a painterly surface as his canvases. In this exhibit the artist will create an environment/installation out of what were formerly his tools."

April
"Where We Stand" - an exhibition / installation of self-portraits by AS220 resident artists drawn in the gallery using a system of nine pre-installed mirrors. Drawings will be executed between March 26 and April 6, 1986.
