Rhode Island College
Providence, Rhode Island
"... And the voice of Zima Junction spoke to me and this is what it said.
'I live quietly and crack nuts.
I gently steam with engines.
But not without reflection on these times,
these modern times, my loving meditation.
Don't worry. Yours is no unique condition,
your type of search and conflict and construction,
don’t worry if you have no answer ready
to the lasting question.
Hold out, meditate, listen.
Explore. Explore. Travel the world over.
Count happiness connatural to the mind
more than truth is, and yet
no happiness to exist without it.
Walk with a cold pride
utterly ahead
wild attentive eyes
head flicked by the rain-wet
green needles of the pine,
eyelashes that shine
with tears and with thunders.
Love people.
Love entertains its own discrimination.
Have me in mind, I shall be watching.
You can return to me.
Now go.'
I went, and I am still going."
