Snitch Niggas

A moter
fuckin training school got me locked down like a fuckin fool buck what your going to do when I find you bringing it too you with the four-fifths with the hollow tips packing extra clips for the end of 96 coming thru 97 with the muck eleven to your chest. hope you packed that vest because I'm blasting as I hit the mic. I know your laughing word is born kid snitch niggas get there ass's beat stomping your shit and watch the blood spell from your dome piece as my man Nitz and kush kick the fat beats
